EASY-TO-USE FEATURES
THAT REALLY ADD UP

As a small business owner, you need a cash management system that is big on value, features and performance, but not price and size. Sharp, a leading ECR manufacturer with a reputation for reliability and quality, introduces the ER-A242 electronic cash register.

Designed for general merchandise, small specialty stores and small hospitality establishments, the Sharp ER-A242 is an entry level cash register with PC-friendly software. Here's a cash register that not only allows the most inexperienced user to be productive in a short time, but also includes Easy Programming software so the user can personally set pricing, modify text, set PLU's, print graphic logos on receipts or generate periodic sales and inventory reports.

The Sharp ER-A242 has a compact footprint and comes with a heavy-duty metal cash drawer with removable till. Fast, quiet thermal printing is highly reliable, quiet and provides graphic support.

REPORTS

Title	Description
Full (General)	Combines information from departments and transaction media totals. This report is used as the audit report for your business.
Department Reports	Consolidates all departments into like categories to provide summary sales data analysis of your business.
PLU (Range)	Allows the store owner to analyze PLU sales data by a specified range of PLU codes.
Hourly (All/Range)	Provides the store owner with the number of transactions and sales total by 1-hour increments for a 24-hour period. This becomes a useful tool in determining which times during the day your business is most successful. This report can also be useful in determining when extra employees are necessary.

Title	Description
Full Clerks	Provides sales and media accountability for up to 25 clerks who have made sales entries.
Individual Clerks	Allows the store owner or manager to audit each individual's sales and media accountability one person at a time.
Daily Net	Provides the net sales total by calendar day for a 31-day period. Business revenues are easily tracked by each day of the month.
